

Cowtown Multi-Gun Match Information

The Match

Cowtown announces the debut of the Cowtown Multi-gun Match. This match will be held on the third Saturday of every month. This match will consist of four stages, with at least one having long-range rifle targets. Some of the stages will be in natural terrain.

Round Count

Approximate round counts will be as follows: 100 rifle rounds, 75 rounds for pistol/PCC, and for shotgunners, 50 birdshot and 5 slugs. Please ensure you have enough ammo to cover the round count and misses.

Rules and Divisions

The match will be run under the [IMA-SMM3G rules](#). Shooters will be able to choose between 2-Gun (rifle/pistol) and 3-Gun (rifle/pistol/shotgun) versions of the 5 equipment divisions (Open, Stealth, Tactical, Limited, and Heavy Metal). The match will also offer the option to run a PCC instead of a pistol in the 2-Gun divisions only (PCC not allowed in the 3-Gun divisions).

Start time

Match start time will be 8am. Aim to arrive early so you have time to sign-in and check out the stages before you shoot. Scoring will be on paper, and there will be open squadding, so pre-registration is NOT required... just turn up, sign-in and shoot.

Cost

Non-member cost is \$20. Member cost is \$18 (member coupon code available for online ticket purchases, please contact Rob Orgel a week prior to the match for your coupon code.)
